SECOND REQUEST FOR REFUND TO DEPOSIT ACCOUNT

Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

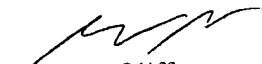

Sir:

Applicants filed a Request for Reconsideration Under 37 C.F.R. § 1.116 along with a Petition for a One-Month Extension of Time for the above-identified application on January 7, 2003. However the Request was not given consideration until the mailing of a Notice of Allowance on April 9, 2003.

M.P.E.P. § 714.13 states "Any amendment timely filed after a final rejection should be immediately considered to determine whether it places the application in condition for allowance or in better form for appeal. An examiner is expected to turn in a response to an amendment after final rejection within 10 calendar days from the time the amendment is received by the examiner. A reply to an amendment after final rejection should be mailed within 30 days of the date the amendment is received by the Office."

Applicants submit that Applicant's January 7, 2003 Request for Reconsideration After Final Rejection was not given immediate consideration, as required by M.P.E.P. §714.13. Thus, Applicants were required, solely due to unreasonable Patent Office delay, to file a Notice of Appeal along with a three-month Petition for Extension of Time to avoid abandonment. Attached hereto is a copy of the January 7, 2003 date-stamped receipt, a copy of the March 11, 2003 date-stamped receipt, and a copy of the Notice of Allowability. Accordingly, it is respectfully requested that this charge (\$570) be re-credited to Deposit Account No. 15-0461 and that the Patent Office acknowledge this credit in writing.

Respectfully submitted,
